To all concerned,

Halekulani and Waikiki Parc Hotel are both in full operation, offering complete service provisions following the temporary island-wide power outage on Sunday, October 15, 2006, due to the earthquake off the Island of Hawaii. Neither hotel suffered any structural damage to its facilities and all guests and employees are safe.

Our sincerest apologies for any inconvenience this natural adversity may have had on your travel plans or loved ones and we look forward to welcoming you back to Halekulani and the Waikiki Parc Hotel. Please feel free to contact our Executive Offices should you need any assistance.
